Are You Nervous?

What makes you nervous? It is the weakness of your womanly constitution, which cannot stand the strain of the hard work you do. As a result, you break down, and ruin your entire nervous system. Don't keep this up! Take Cardui, the woman's tonic. Cardui is made from purely vegetable ingredients. It acts gently on the womanly organs, and helps them to do their proper work. It relieves pain and restores health, in a natural manner, by going to the source of the trouble and building up the bodily strength.

TAKE The CARDUI Woman's Tonic

Mrs. Grace Fortner, of Man, W. Va., took Cardui. This is what she says about it: "I was so weak and nervous, I could not bear to have anyone near me. I had fainting spells, and I lost flesh every day. The first dose of Cardui helped me. Now, I am entirely cured of the fainting spells, and I cannot say enough for Cardui, for I know it saved my life." It is the best tonic for women. Do you suffer from any of the pains peculiar to women? Take Cardui. It will help you. Ask your druggist.

Every sack of John R. Flour bears the trade mark shown on the cut opposite and our name in full. Such alone is genuine. Don't be deceived by an attractive sack or a grocer's statement that another brand is "just as good." There is only one "Best" and that is John R. A trial of one sack will prove every claim we make.

Va., "for the wonderful double benefit I got from Electric Bitters, in curing me of both a severe case of stomach trouble and of rheumatism, from which I had been an almost helpless sufferer for ten years. It suited my case as though made just for me." For dyspepsia, indigestion, jaundice, and to rid the system of kidney poisons that cause rheumatism, Electric Bitters have no equal. Try them. Every bottle is guaranteed to satisfy. Only 50 cts at F. C. Rolland's---Adv.

NOTES FROM SANTA FE
The papers in the Calles extradition case are completed as far as New Mexico is concerned and have been sent to President Taft for his signature. It seems probable that the requisition will be honored by President Madero at an early date, meaning the return of Calles to his culinary duties at the state penitentiary. Calles broke out some weeks ago and was captured in Juarez, dressed as an attractive brunette.

Superintendent McManus of the state penitentiary is already at work preparing the Christmas program for the 300 or more convicts. The Thanksgiving entertainment was such a success, over 200 people from Santa Fe and vicinity having applied for admission, that Mr. McManus has decided to issue invitations for the Christmas affair. Governor McDonald will likely address the convicts.

Paul Owen, the escaped convict who was arrested at Lincoln recently, returned to the penitentiary last Sunday, accompanied by Mount Policeman Gus Hunter who went after him. It seems that Owen could not resist the temptation to take Thanksgiving dinner at home and perhaps he also thought it well to have a home Christmas dinner, like other folks. The alert officers of the law spied him and now he will take his Christmas meal as a guest of Mr. McManus.

The office of the traveling auditor is now in the room occupied formerly by the game warden. The sign "Game Warden" is still on the door and some one has suggested that part of the sign be left as Mr. Ernest, the traveling auditor, has some very fine specimens of New Mexico fowl mounted as ornaments.

"We need more teachers," so said Superintendent White and Chief Clerk Asplund in one breath, when asked what was done at the final session of the board of education which recently met at Santa Fe.

"We need a teacher at Lamy," said Mr. White, "and there are five vacancies in Lincoln county, and several in San Miguel and Rio Arriba. I do not know what we shall do." Mr. White was advised to communicate with Mayor Lopez. Like former mayors of Santa Fe he is receiving letters from bright eastern girls who wish to come to New Mexico and try western life answering the call of the wild. Surely some of these efficient teachers of the east, cooped up in wretched, smoky cities, would be glad to come to the Sunshine state and get a free supply of oxygen.---New Mexican.

Why not give mother or sister a dress pattern either of wool or silk material. The salesladies at the Prince store will be glad to help you select it if you wish.
